

Made In The USA

- Reduces Industrial Noise
- World's most comfortable earplug
- Smart Seal™ ensures a perfect fit
- Wear under helmet comfortably
- No plugged up feeling
- Replaces custom earplugs
- Will not sweat, tickle or itch
- Use your cell phone while wearing
- Helps prevent ringing in the ears
- Renewable sleeves save money!

Earasers don't plug up your ears and muffle sound like other earplugs. Use your cell phone or communicator; everything still sounds clear but softer.

"I actually forget they are in and feel less stressed after a whole day of work." Cary O.

earasers™

HDI EARPLUGS™

"I didn't realize the ringing in my ears was a warning sign for hearing damage. Frankly, I thought everyone had that. I'm just not interested in wearing a hearing aid so I did something about it."

Tom B.

SAFETY EARPLUGS

Federal law prohibits removal of this label prior to purchase

LABEL REQUIRED BY U.S. E.P.A. REGULATION 40 CFR Part 211, Subpart E.

COMFORTABLE AND REUSABLE

"I was so tired of sweating, burning ears. Earasers are amazing!" Jack T.

WARNINGS

- Keep out of reach of young children. Product and packaging contain small parts, which can be swallowed.
- If intended use is for any OSHA noise abatement program or Industrial, Military, or commercial exposure, close coordination with a company approved safety officer should be maintained to ensure compatibility with your environment.
- If you experience ANY ringing or muffled feeling in your ears after use, please choose an earplug with a higher reduction rating.
- Get annual hearing checkups from an Audiologist or Hearing Specialist if you use earplugs.
- Not to be used with any firearms.
