

Innovation 2018

Smart Li-ion Power

Charge | Dry | UV-C

The charging times required for rechargeable hearing aids, do not allow, in most cases, to ensure complete and optimal maintenance.

Today, with the Smart Dryer Li-ion,
Charging and Drying becomes possible!

Lithium-ion Hearing Aids compatible

Easy assembly of Smart Li-ion power charger and Smart Dryer UV-C

Smart Li-ion power charger and Smart Dryer UV-C assembled
