

- Completely Wireless Operation
- 5 Watt Ultra-Bright LED
- 4 Hour Operation
- 2 Rechargeable Batteries and AC Charger Included
- Lightweight
- Waterproof
- Rugged industrialized construction

High Def Video Oto

Firefly Wireless Dia

Uses

- Mobile Endoscopic Applications
- ENT
- Veterinary
- Cystoscopy

What's Included

- Compact LED Light Source
- 2 Rechargeable Batteries
- AC Charger
- User Manual

Compatible with

- [DE1250 Wireless Endoscope Camera](#)
- [R3800 Full HD Endoscope Camera System](#)

Technical Details	
Weight (with battery)	120 grams
Length	120 mm
Diameter at Tail	23 mm
Diameter at Tip	17 mm
Battery Duration	Over 4.5 hours
Battery Charge Time	5 hours
Battery	Type 18650, Lithium Ion, 3.7V, 2600mAh
Charger	110-240VAC source 4.2V DC 600mA output
Illumination Source	LED

Technical Details	
Color Temperature	6500K, Standard CRI ANSI White
Water Ingress	IPX7
Electrical Class	Class 1, Type BF
Medical Class	FDA Class 2 – CE/MDD Class 1
Warranty	1 Year Warranty
